

**NOTIFICATION TO LANDOWNERS ADJACENT TO THE
PARK WEST DRAIN**

The construction contract for the Park West Drain has been awarded to:

Al's Excavating, Inc.
4515 134th Avenue
Hamilton, MI 49419
Project Manager: Ted Carpenter
(269) 751-5158

Construction inspection for the Park West Drain improvements will be performed by:

Fishbeck, Thompson, Carr & Huber, Inc.
1515 Arboretum Drive, SE
Grand Rapids, MI 49546
Construction Engineer: Jeremy McDonald, PE
(616) 464-3963

The Contractor plans to start work along Quincy Street between 160th and 168th and will be placing a detour the week of July 6, 2015. We therefore, are notifying you, the landowner of the following:

- 1. CLEARING:** It is our intent to minimize damage and/or removal of trees and bushes in residential areas.
- 2. DRIVEWAYS:** Work will be conducted to minimize the duration of driveway closures. The Contractor will provide written notice to property owners or occupants 24 hours prior to closing residential driveways and 48 hours prior to closing commercial driveways. Your driveway will be restored to the standards required by the Ottawa County Road Commission. If you have any special access needs or medical concerns, please contact the Contractor's Project Manager.
- 3. LANDSCAPING:** It is our intent to try to work around landscaping, fences, out buildings and gardens; although in some cases it may not be possible. This is your notification to move seasonal landscape improvements and identify any underground irrigation lines or fences in the work area. The Contractor will carefully remove and replace all mailboxes, signs, fences, posts, borders, and retaining walls encountered within the right-of-way, and repair any irrigation lines or underground fences disturbed during the work. The Contractor will be responsible for lawn restoration, but will not be replanting shrubs and perennials disturbed during the work.
- 4. CONNECTION TO THE DRAIN:** Leads will be provided on your property if you are within the Park West Assessment District and directly abut the drain. You may connect a private drainage line to the lead at your cost. The Contractor will coordinate the final location of the lead with you regarding extending the lead to the right-of-way line.

Note: Actual contract work is only for the residents along Quincy located from Vermae Drive to just east of Ventura Baptist Church. All residents between 160th and 168th are being notified because of closure. Access to your residence will be maintained.

Please contact the Contractor's Project Manager to discuss any concerns or questions regarding your property. Project information and updates will be available on our website: <http://www.miottawa.org/Departments/Drain/>
