NOTICE OF DRAIN MAINTENANCE

September 28, 2017

This notice is to inform you that a maintenance contract has been approved for the **Patriot Farms detention ponds** which are located on or near your property. The contractor will be starting work within the next two weeks. A map of the proposed cleanout area can be found on our website:

http://www.miottawa.org/Departments/Drain/maintenance_projects.htm

The drain maintenance will include mowing of the pond areas. The contractor will restore all disturbed areas created as a result of the maintenance performed.

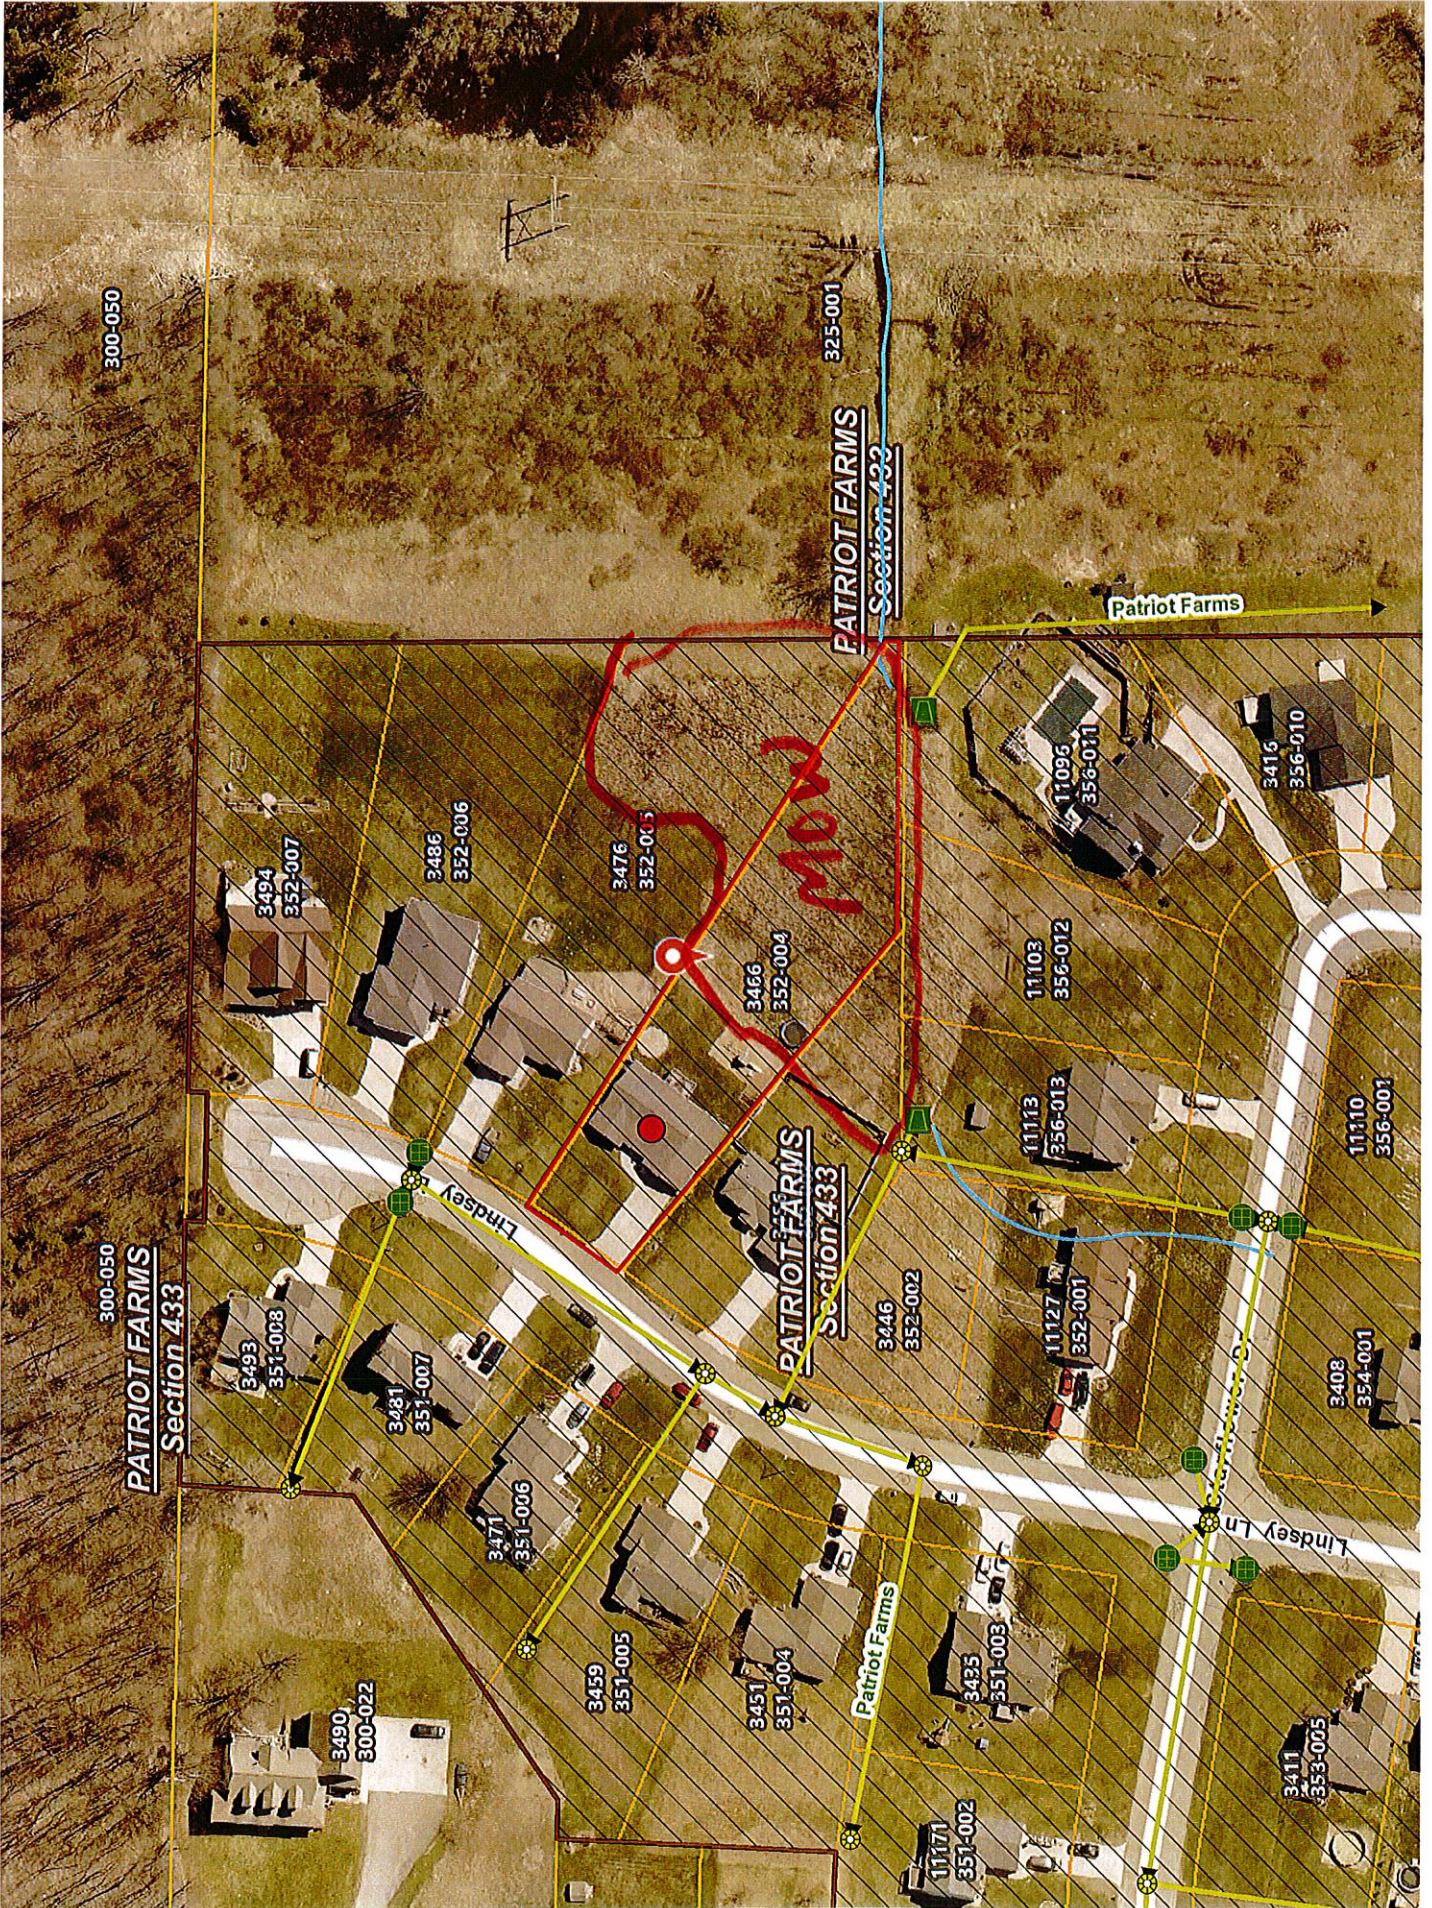

Please remove any fences, play sets or structures that are located within the detention pond easement as soon as possible. Also, make sure that any invisible dog fence, underground sprinkling, sump lines/tile outlet, property corner pins, etc. are marked. Care will be taken to avoid damage to anything within the detention pond easement; however, contractors will not be held responsible for something damaged that was not moved or marked.

Your cooperation is always appreciated in these matters. Should you have any questions, concerns, or input that you would like us to consider, feel free to contact us at 616-994-4530 or email waterresourcescommissioner@miottawa.org.

Thank You,

Chris Machiela
Drain Inspector
