Granny is so proud of you!  
You covered correctly when you sneezed “achoo.”  
And you washed your hands so nice and long,  
While you were singing my washing song.  
You stayed home and got your rest,  
When you didn’t feel your best.  
You were so brave getting your shot.  
Just like I said, it didn’t hurt *a lot*.  
Teach your family my tips and sing-along.  
They’ll keep you all very healthy and strong!
