PROCEEDINGS OF THE OTTAWA COUNTY
BOARD OF COMMISSIONERS
NOVEMBER SESSION – WORK SESSION**

The Ottawa County Board of Commissioners met on Tuesday, November 22, 2011, at 2:22 p.m. and was called to order by the Chair.

Present at roll call: Messrs. Visser, Kuyers, Swartout, Mrs. Ruiters, Messrs. Rycenga, Baumann, Disselkoe, Karsten, Holtrop, Holtvluwer. (10)

Absent: Mr. DeJong. (1)

Work Session Items:

- A. Board Standing Committees and Boards and Commissions – The Board Chair asked the Administrator to provide a list on Board Standing Committees. A question was asked whether the Human Resources Committee and Health & Human Services Committee need to remain.

Mr. Vandenberg laid out the pros and cons stating there would be a reduction of cost by a maximum of \$2,400 in per diem and mileage per committee. It would increase the workload for the Finance & Administration and/or Planning & Policy Committees.

The Board was also asked to look over the Boards and Commissions and to determine if all should or should not be receiving mileage reimbursement.

The Chair asked that these be referred to Finance & Administration and Planning & Policy for review and a recommendation be brought back to the full Board.

- B. GCSI Contract – The Administrator reported the three year contract with GCSI is up. He stated they do an outstanding job and there is value in having a contract with them. GCSI has improved with emails and face-to-face contact. Mark Knudsen, Planning & Performance Measures Director, oversees the contract for the County. A three year contract at the current rate will be brought back as an Action Item.

B/C 11-274 Mr. Holtrop moved to adjourn at 2:50 p.m. The motion passed.

Agenda Item: Issuance of Refunding Bonds by the Economic Development Corporation of the County of Ottawa for the Benefit of Hope College

SUGGESTED MOTION:

To approve and authorize the execution of the resolution approving the Ottawa County Economic Development Corporation's issuance of limited obligation refunding revenue bonds for the benefit of Hope College.

SUMMARY OF REQUEST:

The Ottawa County Economic Development Corporation (EDC) approved (November 28, 2011) the issuance of up to \$10 million in limited obligation refunding revenue bonds for Hope College. These new bonds will be used to refinance bonds that were issued in 2002 by Hope College. The new bond sale will allow Hope College to restructure its debt and experience significant savings estimated to be over \$3.2 million which will then be used to finance new improvements on campus beginning next year which will include a cafeteria upgrade and new student housing.

Normally, the County Board of Commissioners would not be required to approve the bonds, but a technical provision of the Internal Revenue Code of 1986 requires that the Board of Commissioners hold a public hearing and approve the bond issuance because the new bonds will be used to pay-off the original bonds in a time-frame that is more than 90 days past the issuance date of the original bonds.

At a regular meeting of the Board of Commissioners of the County of Ottawa, Michigan, held at 12220 Fillmore Street, West Olive, Michigan, on the 13th day of December, 2011, at 1:30 o'clock p.m., Michigan Time, pursuant to notice duly given:

Following a public hearing on the matter, the following preamble and resolution were offered and supported:

WHEREAS, The Economic Development Corporation of the County of Ottawa (the "EDC") approved on November 28, 2011, the issuance by the EDC of up to \$10 million principal amount of limited obligation refunding revenue bonds (the "Bonds") to refinance certain bonds issued in 2002 for the benefit of Hope College by the Michigan Higher Education Facilities Authority (the "Prior Bonds"); and

WHEREAS, because the proceeds of the Bonds will be used to pay-off the Prior Bonds more than 90 days after the date of issuance of the Bonds (i.e., April 1, 2012, the first date on which the Prior Bonds can be repaid) the Internal Revenue Code of 1986, as amended, requires that, as a condition precedent to the issuance of the Bonds, the Board of Commissioners (1) hold a public hearing on the question of whether the Bonds should be issued and (2) following the public hearing, approve the issuance of the Bonds; and

WHEREAS, the Bonds are limited obligations of the EDC, payable solely and only from funds provided by Hope College, and shall never constitute an indebtedness or an obligation of the EDC or the County of Ottawa, or a charge against the general credit or taxing powers of the County of Ottawa; and

WHEREAS, the Board of Commissioners, following such public hearing, hereby concurs in the determination of the EDC to issue the Bonds.

NOW, THEREFORE, BE IT RESOLVED, that the Ottawa County Board of Commissioners hereby approves the issuance of the Bonds, upon the terms and conditions heretofore approved by the EDC.

Agenda Item: Establishment of Endowed and Non-endowed Funds with the Community Foundation of the Holland/Zeeland Area

SUGGESTED MOTION:

To approve the establishment of endowed and non-endowed funds with the Community Foundation of the Holland/Zeeland Area for the Ottawa County Purchase of Development Rights (PDR) Program, and to authorize the County Administrator to sign the agreement on behalf of Ottawa County.

SUMMARY OF REQUEST:

The PDR Program was established to protect farmland by acquiring the development rights of agricultural land from willing landowners. Per the County PDR Ordinance, no general fund dollars can be used for the Program. Therefore, the Agricultural Preservation Board plans to solicit private funding for the PDR Program.

To that point, the Ottawa County Agricultural Preservation Board is requesting approval to establish endowed and non-endowed funds with the Community Foundation of the Holland/Zeeland Area for the Ottawa County Purchase of Development Rights (PDR) Program.

The donations deposited in the Endowed Fund are invested by the Foundation in order to earn interest. Up to 4% of the interest earned by the Fund can be expended for the Program per year, but the principal amount (the amount donated) must remain in the Fund. If no interest is earned by the Endowed Fund in any given year, then an amount will be calculated by the Foundation which can be expended.

The donations deposited in the Non-Endowed Fund are also invested by the Foundation. However, unlike the Endowed Fund, all funding in the Non-Endowed Fund can be expended for the Program in any given year.

The Endowed Fund will be used to provide a salary for a contractual Program Coordinator position for the PDR Program. The Non-Endowed fund will be used for the purchase of development rights, land appraisals, Program marketing and/or advertising, and other activities related to the PDR Program.

The Foundation will accept private donations on behalf of the County PDR Program, and invest and manage these funds at no cost to the County. Administrative costs incurred by the Foundation will be taken directly out of the Funds. This will amount to 1% of the fund balance per year of the Endowed Fund and 1.5% of the Non-Endowed Fund.

All disbursements of funds made from the Foundation will require approval from the Ottawa County Board of Commissioners.

FISCAL SPONSORSHIP GRANT AGREEMENT
BETWEEN THE COMMUNITY FOUNDATION OF THE HOLLAND/ZEELAND AREA
AND
COUNTY OF OTTAWA

On November 18, 2010, The Community Foundation of the Holland/Zeeland Area (“Grantor”) decided that financial support of the project, as described in the fiscal sponsorship application, aligns with the Grantor's tax-exempt, charitable purpose. Therefore, Grantor has created a restricted fund designated for such project, and has decided to grant all amounts that it may deposit to that fund, less any administrative charge as set forth below, to The County of Ottawa (“Grantee”), subject to the following terms and conditions:

1. Grantee shall provide Grantor with documentation satisfactory to Grantor showing Grantee's separate existence as an organization.
2. Grantee shall use the grant solely for the project described in the Fiscal Sponsorship Application, and Grantee shall repay to Grantor any portion of the amount granted which is not used for that project. Any changes in the purposes for which grant funds are spent must be approved in writing by Grantor before implementation. The Grantor retains the right to withhold, withdraw, or demand immediate return of grant funds, and to spend such funds so as to accomplish the purposes of the project as nearly as possible within Grantor's sole judgment, in the event Grantee breaches this Agreement, Grantee's conduct of the project is ineffective or performance requirements (as either initially determined or subsequently modified by Grantor in its sole discretion) are otherwise not met in Grantor's sole determination, or the project in any way jeopardizes Grantor's legal or tax status.
3. Grantee may solicit gifts, contributions and grants to Grantor, earmarked for Grantor's restricted fund for this project. Grantee's choice of funding sources to be approached and the text of Grantee's fundraising materials are subject to Grantor's prior written approval. All grant agreements, pledges, or other commitments with funding sources to support this project via Grantor's restricted fund shall be executed by Grantor. The cost of any reports or other compliance measures required by such funding sources shall be borne by Grantee.
4. An administrative charge of one and one-half percent (1.5%) shall be applied and assessed quarterly to the restricted fund according to the administrative fee schedule established by the Foundation, subject to change from time to time. This fee shall be deducted by Grantor to defray Grantor's costs of administering the restricted fund and this grant. In addition, any other costs associated with accepting or processing the gifts, (e.g. credit card fees or commissions on stock sales and the like) will also be deducted direct from the fund.

5. Nothing in this Agreement shall constitute the naming of Grantee as an agent or legal representative of Grantor for any purpose whatsoever except as specifically and to the extent set forth herein. This Agreement shall not be deemed to create any relationship of agency, partnership, or joint venture between the parties hereto, and Grantee shall make no such representation to anyone.
6. Grantee shall submit a full and complete written report to Grantor as of the end of Grantee's annual accounting period within which any portion of this grant is received or spent. Grantee shall also submit additional reports at times determined by Grantor in its sole discretion. The initial report shall be submitted by Grantee no later than December 31, 2011, and subsequent reports, if any, shall be due on the anniversary date of the initial report. The reports shall describe the charitable programs conducted by the Grantee with the aid of this grant and the expenditures made with grant funds, and shall report on the Grantee's compliance with the terms of this grant and its progress towards accomplishing the purpose of the grant, along with any other information and supporting documents as requested by Grantor.
7. This grant is not to be used in any attempt to influence legislation within the meaning of Internal Revenue Code (IRC) Section 501(c)(3). No agreement, oral or written, to that effect has been made between Grantor and Grantee.
8. Grantee shall not use any portion of the funds granted herein to participate or intervene in any political campaign on behalf of or in opposition to any candidate for public office, to induce or encourage violations of law or public policy, to cause any private inurement or improper private benefit to occur, nor to take any other action inconsistent with IRC Section 501(c)(3).
9. Grantee shall notify Grantor immediately of any change in (a) Grantee's legal or tax status, and (b) Grantee's executive or key staff responsible for achieving the grant purposes.
10. Grantee hereby irrevocably and unconditionally agrees, to the fullest extent permitted by law, to defend, indemnify and hold harmless Grantor, its officers, directors, trustees, employees and agents, from and against any and all claims, liabilities, losses and expenses (including reasonable attorneys' fees) directly, indirectly, wholly or partially arising from or in connection with any act or omission of Grantee, its employees or agents, in applying for or accepting the grant, in expending or applying the funds furnished pursuant to the grant or in carrying out the program or project to be funded or financed by the grant, except to the extent that such claims, liabilities, losses or expenses arise from or in connection with any act or omission of Grantor, its officers, directors, trustees, employees or agents. Furthermore, the Grantor may require the Grantee to obtain liability insurance policies in amounts and types of coverage as determined by the Grantor.
11. Unless otherwise negotiated, any tangible or intangible property, including copyrights, obtained or created by Grantee as part of this project shall remain the property of Grantee. However, if the property was created in any way with the use of Grantor's staff or Grantor's resources, all such property shall belong to Grantor and Grantee shall cooperate to take all necessary acts to secure ownership in that property to Grantor.

12. In the unlikely event that a dispute between the parties arises under or in connection with any aspect of its relationship, this Agreement or its performance, including any dispute regarding the validity or enforceability of this Agreement or any portion of this Agreement, such dispute can be resolved only through binding arbitration pursuant to the terms of this arbitration provision. Within one hundred eighty (180) days of the event or occurrence that gives rise to the dispute, either party may file a demand for arbitration with the American Arbitration Association (“AAA”). Such arbitration shall be conducted in accordance with the AAA’s Commercial Arbitration Rules (except as modified herein) and shall take place in either Grand Rapids or Holland, Michigan. The determination of the arbitrator shall be binding upon all parties. All expenses, costs, administrative filing fees, and arbitrator’s fees shall be shared equally by the parties. The parties further agree that they will comply with the terms of this arbitration provision and any award rendered by the arbitrator, and that a judgment of a court having jurisdiction may be entered upon the award. Notwithstanding anything herein to the contrary, this arbitration requirement shall not preclude the right of Grantor to proceed with a filing in a court of appropriate jurisdiction to obtain immediate injunctive relief.

13. Grantee represents that its Application For Fiscal Sponsorship and any documents or other information furnished to Grantor, whether in writing or verbally, was provided for the purposes of inducing the Grantee to act as a fiscal sponsor on behalf of Grantee. Grantee agrees, represents and warrants that all of this information it provided was accurate and complete, that no information was omitted that would make those prior representations not misleading, and that the information provided was reasonably relied upon by Grantor.

14. This Agreement shall be governed by and construed in accordance with the laws of the State of Michigan applicable to agreements made and to be performed entirely within such State.

15. This Agreement shall supersede any prior oral or written understandings or communications between the parties and constitutes the entire agreement of the parties with respect to the subject matter hereof. This Agreement may not be amended or modified, except in a writing signed by both parties hereto.

DATE: November 22, 2011
TO: Chair Phil Kuyers and Board of Commissioners
FROM: Al Vanderberg, County Administrator
SUBJECT: Board Standing Committees

BACKGROUND

Chair Kuyers asked that I provide a memo for your discussion on Board Standing Committees. Standing committees are used in local, state, and federal government to divide labor among elected officials and to develop expertise in different areas. A question has arisen whether the existing standing committee makeup is appropriate and more specifically whether the Board of Commissioners needs to keep the Human Resources Committee and Health & Human Services Committee in place. These two committees have significantly fewer action items on their typical agenda than do the Finance & Administration Committee and the Planning & Policy Committee.

The short answer to this question is “no.” The Board of Commissioners has the full authority to create and utilize from zero standing committees to unlimited numbers of standing committees. Some county boards of commissioners have a “committee of the whole” system where they have only one committee that deals with all matters. While these counties may tout this arrangement as efficient, it really begs the question of even having a standing committee when there is no division of labor or development of specific knowledge and expertise. One major commonality across counties is that all counties have a finance committee called a ways & means committee in some counties that oversees financial matters. Other than the commonality of finance there is a plethora of types, names and functions across counties statewide.

Ottawa County has had four standing committees for many years now: Finance & Administration, Planning & Policy, Human Resources and Health & Human Services. In the mid-1990's Ottawa County had seven standing committees: Finance, Administration & Planning, Criminal Justice, Legislative & Legal Review, Transportation & Land Use, Public Relations, and Health & Human Services. By comparison Kent County has had two standing committees for many years: Finance & Physical Resources and Legislative & Human Resources. There really is no right or wrong answer, just how the Board wants to divide its work. Standing committees provide a valuable training ground for future Board of Commissioner Chairs if a commissioner is elected with little experience running meetings.

The Personnel Committee (now known as the Human Resources Committee) was created as a buffer and place for employees to give input during times when the relationship between employees and the Board and Administration were difficult. As relations have improved through greater transparency, the employee survey, brown bag lunches and other initiatives, this need for the committee has evaporated. The former Special Technology Committee had also formed due to strained relationships between departments and the former MIS (now IT) Department and once these relationships were repaired the need for this committee slowly dwindled and was replaced by a different staff led mechanism. However, the HR Committee has taken on the major task of overseeing the board & committee appointment process and two HR Committee members along with the assistant county administrator now interview each applicant.

Michigan law allows for county boards of commissioners to either assume the responsibility of Michigan Public Health Code oversight or to vest this responsibility in a statutory Public Health Board. Ottawa County eliminated the Public Health Board and took over this responsibility many years ago. I worked with this process first hand when Kent County did the same about 10 years ago. The Health & Human Services Committee plays a front line role per the Health Department reporting process in oversight of the Public Health Code while the formal authority lies with the Board of Commissioners.

STANDING COMMITTEE COST

Cost of each standing committee on annual basis:

5 members at \$40/meeting and 12 meetings per year is \$2400

Mileage is: 5 members at \$11 (22 miles avg.) at 12 meetings per year is \$792

The maximum out of pocket cost if all Board of Commissioners attend each meeting and no meetings are cancelled (nor additional meetings held) is \$3,192 for each committee, or a total of \$12,768 for all annually. There does not appear to be any other expenses other than paper for agenda and staff time which are difficult to calculate and for Health & Human Services and Human Resources represent much less paper and time to put together. There would also be “savings” from having less staff time spent in meetings but this would not result in staff reductions but would represent a minimal refocus of time.

PROS AND CONS OF ELIMINATING HEALTH & HUMAN SERVICES COMMITTEE

The main benefit of eliminating the committee would be the reduction of cost by a maximum of \$2,400 in per-diem and mileage payments to Commissioners along with minor savings in supplies and staff time. The committee has some oversight delegated by the Board of Commissioners by the nature of the committee in regard to the Public Health Code and this reporting mechanism would be added to the Board agenda and process. Perhaps the largest con in eliminating this committee unless its duties were added to another standing committee would

be perception in the human services community. I've been told that this committee was created partly in response to a feeling that County Commissioners were good financial stewards and did not care much for human services in general. This committee has provided a communication forum for human service related groups to access the Board.

PROS AND CONS OF ELIMINATING HUMAN RESOURCES COMMITTEE

The significant pro once again is savings of \$2,400 in Commissioner per-diem and mileage expense and minor savings in supplies and redirection of staff time.

The significant con would be adding the board appointment process workload to Finance & Administration or Planning & Policy.

CONCLUSION

The standing committees represent a division of labor by the Board of Commissioners the number and content of each committee is wholly under the purview of the Board. Basically staff will await a Board determination whether they would like the committee structure to remain the same or be changed for 2012.
