

2007 ANNUAL REPORT

Office of the Prosecuting Attorney

Submitted by:
Ronald J. Frantz
Ottawa County Prosecuting Attorney

EXECUTIVE SUMMARY

The 2007 **felony caseload** increased by 1% from the 2006 level (1382 case in 2007, compared to 1366 cases in 2006). This slight increase follows a steady decline over the five preceding years. The 2007 number is still well below the ten year high point of 1536 cases in 2002. Crime categories showing significant increases were felony drunk driving (up 54%, 119 cases), property crimes (up 23%, 278 cases), and weapons offenses (up 55%, 67 cases). Categories showing significant declines were criminal sexual conduct (down 34%, 82 cases), breaking and entering (down 46%, 79 cases), and drug offenses (down 4%, 799 cases).

Total **misdemeanor caseload** fell 10% in 2007 (7827 cases). **Juvenile crime**, as represented by petitions filed by our office, also declined by less than 1% to 1819 delinquency petitions filed. **Total criminal caseload** (combined felony, misdemeanor, and juvenile statistics) indicates a 7% decline in office activity (11,028 cases in 2007).

However, 2007 was a busy year for high-visibility **homicides**. We co-prosecuted with the attorney general six defendants for the 1979 murder of Hope College student Janet Chandler. We also have begun the prosecution of Santiago Leos and Alfredo Luna for the 1988 murders of Michael Osborn and Michael VanEenaam. Finally, Antonio Liceaga was convicted of the murder of a 14-year-old Holland Township youth.

In addition, **gang violence** has resurfaced in the greater Holland area. The prosecutor has joined with the Holland Police Department, the Ottawa and Allegan County Sheriffs' Departments, WEMET, and federal agencies in forming a Gang Task Force. We are aggressively investigating and prosecuting gang-related criminal behavior and expect to dramatically reduce gang violence like we were able to do in the late 1990's.

Our **domestic violence caseload** continued its downward trend in 2007 (3% decrease, 403 cases). During 2007 we implemented a domestic violence offender treatment initiative designed to reduce recidivism and better serve victims. This initiative is a combined effort of the District Court, the Center for Women in Transition, treatment providers, and the prosecutor. In support of this initiative one of our Violence Intervention Officer positions has been transferred to District Court Probation to serve as a Domestic Violence Case Manager.

Our District and Circuit **Drug/Sobriety Courts** continue to accept drug and/or alcohol dependent offenders using a treatment court model. The State Court Administrative Office recently released a study finding that our Sobriety Courts were well-designed and effective in reducing recidivism. The prosecutor is an integral part of the team that selects offenders for the program and monitors their success.

The **Children's Advocacy Center** has been providing age-appropriate services for sexually abused children for almost ten years. This highly regarded center conducted 343 interviews of children suspected of being sexual assault victims in 2007 (as compare with 272 interviews in 2006). Our office continues to work directly with investigators and center staff to assist young sexual assault victims in seeking justice in the criminal justice system and restoration of their lives.

Overall, 2007 saw the continuation of relatively low crime levels and positive trends in our criminal justice system. Our office is proud to contribute to the quality of life we enjoy in Ottawa County.

Respectfully submitted,
Ronald J. Frantz, Prosecuting Attorney

MISSION STATEMENT

The mission of the Ottawa County Prosecutor's Office is to preserve and improve the quality of life for Ottawa County residents by promoting lawful conduct and enhancing safety and security through diligent efforts to detect, investigate, and prosecute criminal offenses in Ottawa County.

RESPONSIBILITIES OF THE PROSECUTOR

The prosecuting attorney is the chief law enforcement officer for Ottawa County. The Office was created by the Michigan Constitution. The responsibilities and authority of the Prosecutor are established by common law, statute, court rule, and appellate case law. In recent years changing attitudes in the courts and state legislature have significantly altered the traditional role of the Prosecutor. While adult and juvenile criminal matters still represent the major portion of the prosecution effort, a growing list of additional responsibilities has placed larger demands on prosecution resources. Nevertheless, we provide all mandated services, maximizing our efficiency by offering specialty services to crime victims and law enforcement. These specialties include the Family Court Unit, Domestic Violence Unit, Victims' Rights Unit, an Appellate Specialist, and a Law Enforcement Training Assistant.

Additional duties of the Prosecutor include serving as the chairman of the Concealed Weapons Licensing Board and Community Corrections Advisory Board. The Prosecutor also serves on the boards or oversight committees of the Children's Advocacy Center, Wrap Around Community Team, West Michigan Enforcement Team, Lakeshore Alliance Against Domestic and Sexual Violence, Ottawa Area Law Enforcement Leadership Committee, C.H.O.O.S.E. underage alcohol initiative, Human Services Council of Ottawa County, U. S. Department of Justice Project Safe Neighborhoods Program, Child Death Review Team, and the Prosecuting Attorneys Association of Michigan
