A copy of the written report goes to the chief administrator of the agency responsible for the recipient.
If there is more than one person with knowledge must all of them make a report?	Not necessarily. Reporting should comply with the policies and procedures set up by each agency.	Someone who has knowledge must report or cause a report to be made in the case of a school, hospital or agency, one report is adequate.	Everyone who has knowledge of a violation or an alleged violation must make a report. MDHHS has typically accepted one report from agencies.	Someone who has knowledge must report or cause a report to be made.
Is there a penalty for failure to report? YES	Disciplinary action may be taken and you may be held liable.	You may be held liable. Failure to report is also a criminal misdemeanor.	You may be held liable and have to pay a \$500 fine.	The law states that failure to report or false reporting is a criminal misdemeanor.
Is it necessary to report to more than one agency? YES	Each of these laws requires that the designated agency be contacted, if an allegation is suspected to have occurred, which falls under its specific jurisdiction. There are several references in each law indicating that reporting to one agency does not absolve the reporting person from the responsibility of having to report to other agencies, as statutorily required.			
Are there other agencies to which a report can be made?
