

**PETITION FOR CONSOLIDATION, MAINTENANCE, AND  
IMPROVEMENT OF DRAINS PURSUANT TO CHAPTER 8 AND 19  
OF THE MICHIGAN DRAIN CODE OF 1956, AS AMENDED  
BEECHTREE DRAIN #466**

To the Ottawa County Water Resources Commissioner:

The undersigned petitioner is Grand Haven Charter Township, County of Ottawa, State of Michigan, and does hereby petition for the maintenance, improvement, and consolidation of the drains known and designated as the Beechtree Drain, Lincoln West Drain, Golfview Subdivision Drain, and Sanctuary Subdivision Drain to be known as the Beechtree Drain, and the consolidation of the Beechtree Drain Drainage District, Lincoln West Drain Drainage District, Golfview Subdivision Drain Drainage District, and Sanctuary Subdivision Drain Drainage District, with the consolidated drainage district to be known as the Beechtree Drain Drainage District, located and established in the Grand Haven Charter Township, County of Ottawa, pursuant to Chapters 8 and 19 of Public Act 40 of 1956, as amended.

The proposed maintenance, improvement and consolidation is necessary for the public health, convenience or welfare and is further necessary for the protection of the public health in Grand Haven Charter Township. Your petitioner further shows that the established drains need consolidating because the drains will be most efficiently maintained as a consolidated drainage system

The petitioner is a municipality which will be liable to assessments at-large for at least a percentage of the total amount to be assessed for the cost of the proposed consolidated Drain. This petition has been authorized by the Township's governing body. A copy of the Resolution of the Grand Haven Charter Township is attached hereto.
