NOTICE OF DRAIN MAINTENANCE

October 26, 2023

Recently an inspection was performed on the **Bass Creek Drain** which runs through or near your property. The result of the inspection was that maintenance including obstruction removal is necessary. During the next two weeks, contractors will be walking the drain/drainage easement to prepare their bid for the work. A follow-up letter will be sent out when the contractor has been awarded the project and their timeline.

Please mark all structures in the drainage easement (invisible dog fences, underground sprinkling, sump lines/tile outlet, property corner pins, etc.). Contractors will not be held responsible for anything damaged that was unmarked.

Your cooperation is always appreciated in these matters. Should you have any questions, concerns, or input that you would like us to consider, feel free to contact us at (616) 994-4530 or email waterresourcescommissioner@miottawa.org.

Thank You,

Emily Grasch
Drain Inspector
