NOTICE OF DRAIN MAINTENANCE

October 20, 2022

Recently an inspection was made of an **Olive Township drain** which runs through or near your property. The result of the inspection was that maintenance including brush, tree, and sediment removal is necessary. During the next two weeks, contractors will be walking the drain/drainage easement to prepare their bid for the work. A follow-up letter will be sent out once we know who the contractor will be and their schedule.

As soon as possible, please mark any and all structures in the drainage easement (invisible dog fences, underground sprinkling, sump lines/tile outlet, property corner pins, etc.). Contractors will not be held responsible for anything damaged that was unmarked.

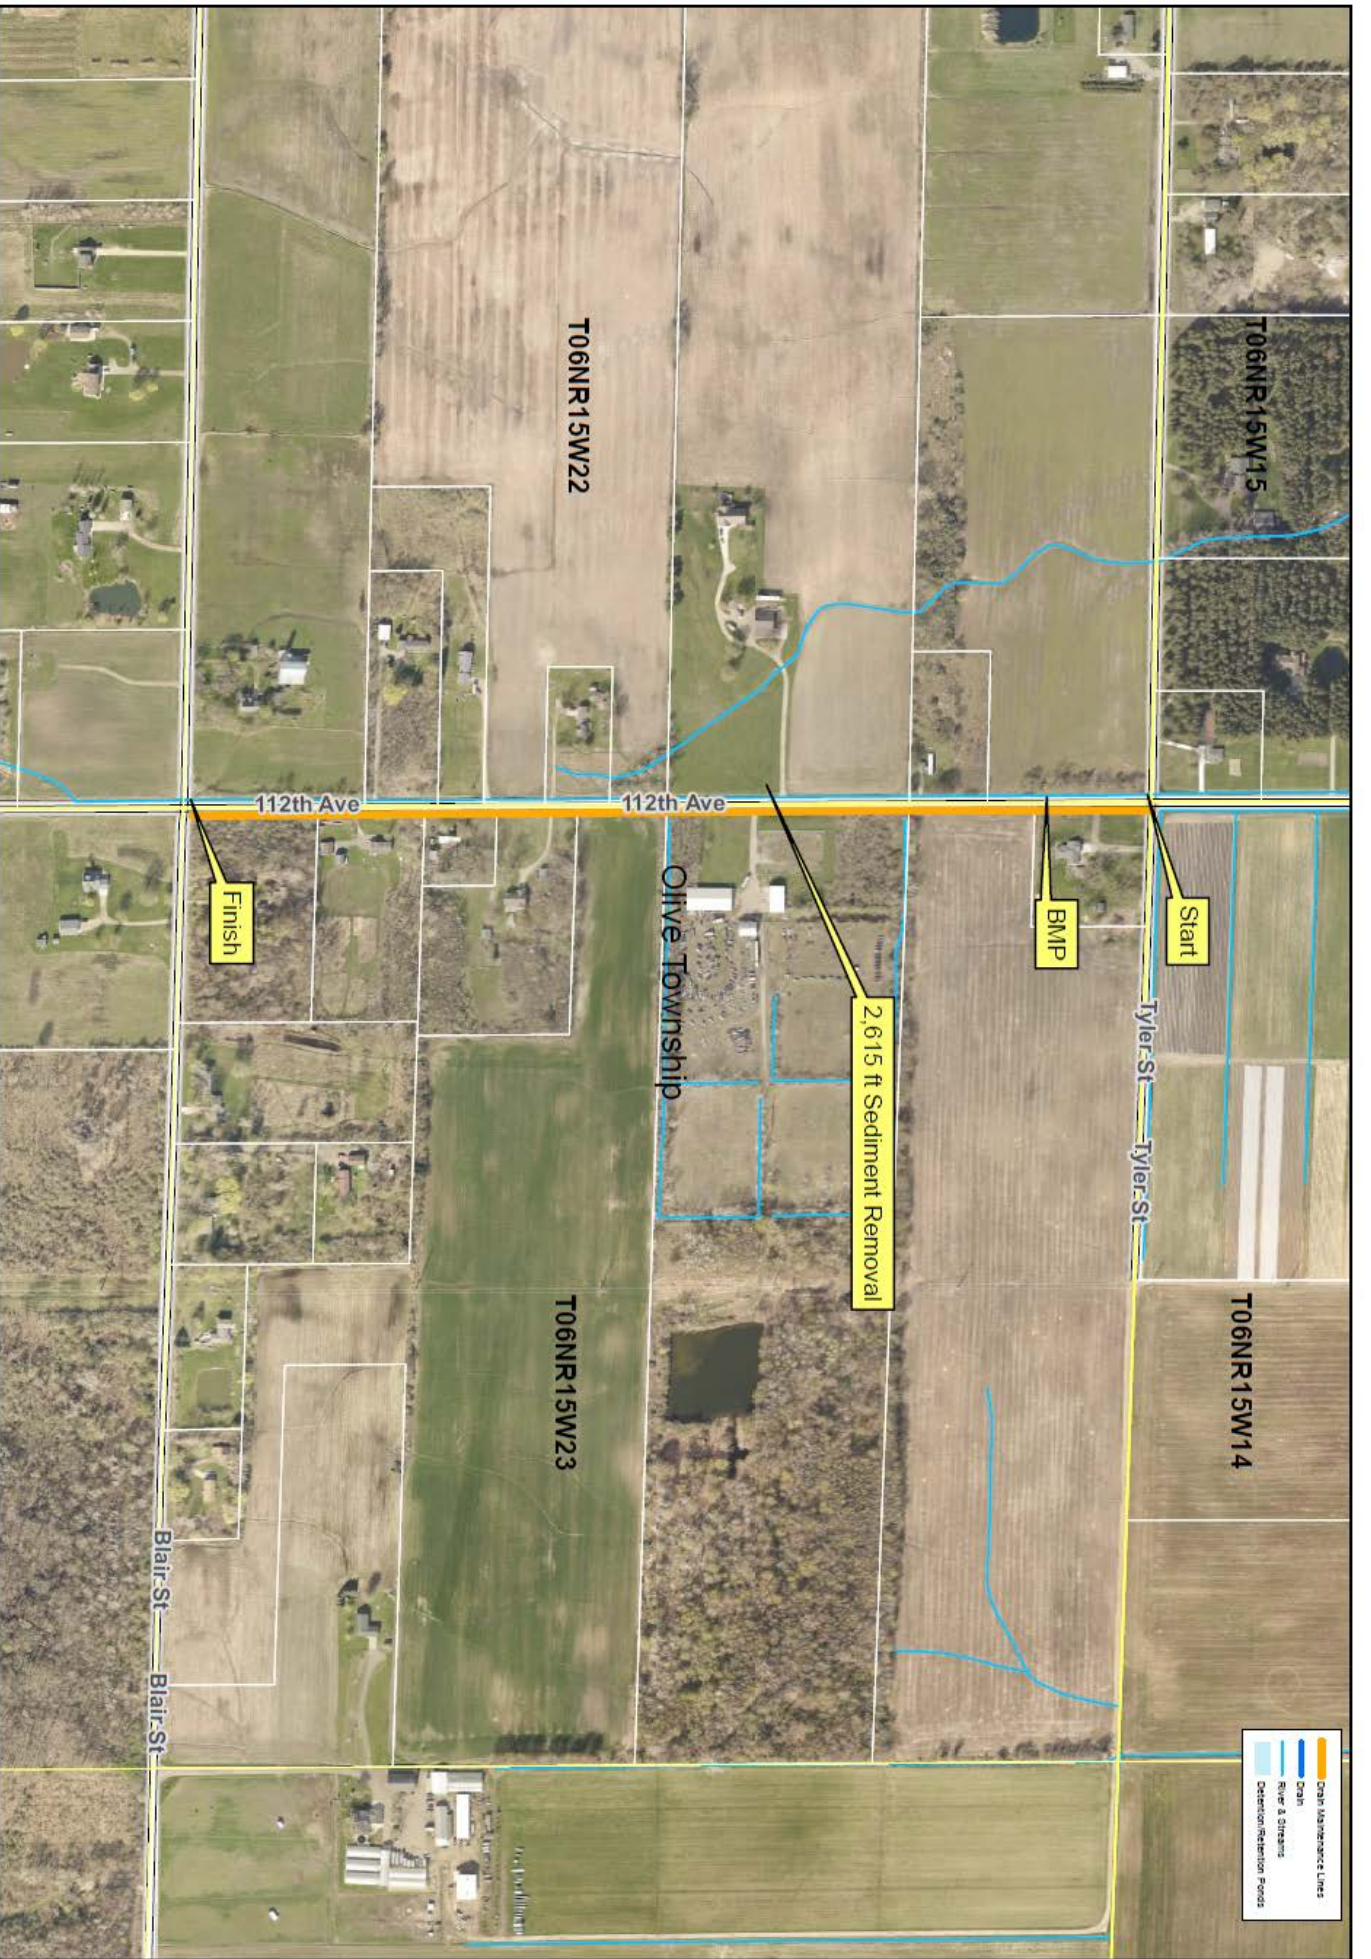

Your cooperation is always appreciated in these matters. Should you have any questions, concerns, or input that you would like us to consider, feel free to contact us at (616) 994-4530 or email waterresourcescommissioner@miottawa.org.

Thank You,

Chris Machiela
Drain Inspector
