## NOTICE OF DRAIN MAINTENANCE

January 6, 2017

Upon inspection it was determined that maintenance was needed to the **Blendon & Olive Drain** which runs thru or near your property. During the next two weeks, contractors will be walking the drain/drainage easement to prepare their bid for the clean out. Once bids are received and the project is awarded the contractor information including proposed start date can be found on our website:

[http://www.miottawa.org/Departments/Drain/maintenance\\_projects.htm](http://www.miottawa.org/Departments/Drain/maintenance_projects.htm)

As soon as possible, please mark any and all structures in the drainage easement (invisible dog fences, underground sprinkling, sump lines/tile outlet, property corner pins, etc.). Contractors will not be held responsible for something damaged that was not marked.

Your cooperation is always appreciated in these matters. Should you have any questions, concerns, or input that you would like us to consider, feel free to contact us at 616-994-4530 or email [waterresourcescommissioner@miottawa.org](mailto:waterresourcescommissioner@miottawa.org).

Thank You,  
Chris Machiela  
Drain Inspector
